OUT OF STATE USED MANUFACTURED BUILDING PERMIT REQUIREMENTS FAQ

The requirements for submitting a permit application for a used manufactured building, mobile home, commercial coach, modular building, modular component, residential park trailer or residential building as defined in NRS 461.130 - NRS 461.150 and NRS 489.062 purchased outside of the State of Nevada are as follows:

1. Must have current plans with specific model numbers of the unit(s) being brought into the State of Nevada.
2. Plans must show compliance with current statutes, codes and standards as specified in NAC 489.177 and be stamped by professional engineer licensed to do business in the State of Nevada.
3. If there are no plans available, then applicant must have a professional engineer licensed to do business in the State of Nevada conduct an inspection of the unit(s) and certify it complies with NAC 489.177.
4. Provide any additional documentation the Division deems necessary to ensure compliance and public safety.

Should you have any questions, please contact your nearest office of the Manufactured Housing Division at the contact information below.

Thank you,
