A commercial coach must bear a certificate and label of compliance **issued by the Nevada Manufactured Housing Division** if the commercial coach was manufactured on or after July 1, 1977.

NRS 489.451 Commercial coach to bear certificate and label of compliance; limitation.

Every commercial coach which is rented, leased or sold or offered for rent, lease or sale in this State must bear a certificate and label of compliance issued by this State if the commercial coach was manufactured on or after July 1, 1977.

(Added to NRS by 1979, 1207; A 1981, 1192; 1983, 789; 1993, 2053)

Please be advised that it is unlawful to rent, lease or sell any commercial coach that does not bear a certificate and label of compliance or a FH/MC label issued by **the Nevada Manufactured Housing Division**.
